

Physicians & Specialties

Beacon Ridge partners with primary care physicians who administer care and oversight for our residents. Additional on-site services, include the following:

- **Laboratory**
- **Radiology Service**
- **Geropsychology and Psychiatry**
- **Podiatry**
- **Optometry**
- **Dental Care**
- **Audiology**
- **Hospice Care**
- **Respite Care**

Our dedicated staff will monitor each step of your personalized treatment plan for measurable progress to keep you engaged and well informed. Our innovative interdisciplinary team will work with you to establish a successful discharge plan to minimize any risks and/or re-hospitalizations after your return home.

At Beacon Ridge we understand the difficulty in choosing a skilled nursing facility. To help you with this decision process, we welcome you to tour our facility; or we are more than happy to have a representative from our caring team meet with you personally. Whether that would be in the hospital, home or where you currently reside, we want to ensure that you have the opportunity to receive answers to all your questions in person.

To schedule a personal consult, please contact our Admissions Department at 724.349.5300.

Our Philosophy

Beacon Ridge Nursing and Rehabilitation Center is a Senior Choice, Inc. non-for-profit facility. Our mission of *Healing, Helping, Caring, Partners in Care* is the philosophy that our dedicated staff strives to provide 24-hours a day, 7 days a week.

Our Approach

At Beacon Ridge, our approach to resident treatment is a collaborative effort. Our interdisciplinary team of nurses, physicians, therapists and other professionals are dedicated to establishing comprehensive care strategies best appropriate to manage each resident's unique needs. Our approach includes taking the necessary measures to accelerate our residents' recovery, maintain their comfort, preserve their independence level and maintain their dignity.

Services & Amenities

At Beacon Ridge, we understand that there is no place like home. However, residents and family members alike will share the positive impact given daily from the warmth of a smile, the joy of hearty laughter, and the stimulations of activities within our facility essential for our residents' continued health and well-being.

Nursing Care

Compassionate and experienced nurses and certified nursing assistants offer residents consistency of care and services.

Therapy Team

Our highly dedicated therapy team provides physical, occupational and speech therapy services as part of a therapy regimen that will be most beneficial for the resident to attain their highest level of independence.

Dining Program

Our dining program features a variety of delicious menu selections and personalized meal plans in our gracious dining room. We have a registered dietician to also provide diet and nutritional counseling.

Comfortable Accommodations

Our spacious rooms provide comfortable accommodations including satellite television, telephone, and complimentary Wi-Fi connection. We welcome residents to bring personal belongings to make their living space familiar and more homelike to meet their personal satisfaction.

In addition, Beacon Ridge has the following available amenities to ensure that our residents experience an enriched lifestyle during their time in our facility:

- **On-Site Beauty/Barber Facilities and Services**
- **Pet-Friendly Environment for Residents' Enjoyment and Companionship**
- **An Activities Calendar that Offers a Host of Planned Daily Activities and Seasonal Scheduled Off Campus Outings**
- **Pastoral Care with Weekly Church Services**
- **Serenity End-Of-Life Suites**

Rehabilitation

The rehabilitation staff at Beacon Ridge is highly dedicated to assisting each resident in attaining his or her highest level of independence.

We Have Extensive Experience in Treating:

- **Joint Replacements**
- **Fractures**
- **Prosthetic Training**
- **Strokes**
- **Parkinson's Disease**
- **Dysphagia**
- **Home Management**
- **Generalized Weakness Due to Surgery or Illness**
